Dear Mr. Mann:

This is in response to your U.S. General Services Administration (GSA) Freedom of Information Act (FOIA) request (GSA-2015-001020) dated July 29, 2015, in which you requested:

“[a]ll electronic communications between your office and Gartner, Inc. (including without limitation communications to or from the “gartner.com” domain). All electronic communications that mention “ZL Technologies, Inc.” (including without limitation references to “ZL” or “ZLTI”, irrespective of capitalization). All electronic communications that mention NetScout Systems, Inc. (including without limitation references to “NetScout”, irrespective of capitalization). If possible please fulfill the request in electronic format (such as concordance feed, .pdf, etc.).”

In response to your request, please find the documents responsive per the parameters outlined in your request. Of the 178 pages received from the email data pull using the keywords you identified, 112 pages were non-responsive and were removed.

This completes our action on this request. Should you have any questions, please contact Mr. Travis Lewis, at 202-219-3078 or by email at [travis.lewis@gsa.gov](mailto:travis.lewis@gsa.gov) .

Sincerely,
